Account Setup Guide

This guide will help you set up a Philo account through a computer, tablet, or phone.

Setting up a Philo account

You must be able to receive text messages to your cell phone to set up your account and set up additional devices.

Step 1: Open web browser
Step 2: Navigate to www.philo.com
Step 3: Enter your mobile number and click “Start 7-day free trial”
Step 4: Enter the 6 digit code that was texted to your cell phone
Step 5: Click the green “subscribe” button
Step 6: Input credit card info, name, and email address
Step 7: Click the white arrow

Philo is compatible on Fire TV, AppleTV, Roku, and Android.

A code will be emailed or text to you each time you login to a new device.
