[Homeland V2.0 – Responsive Real Estate WordPress Theme](#)

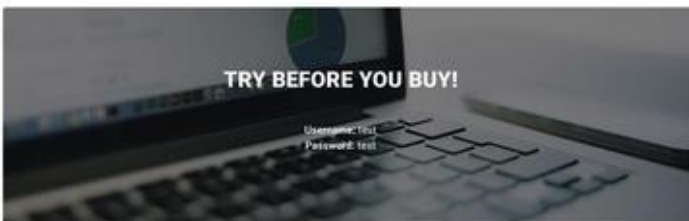

Homeland - Real Estate WordPress Theme

Perfect solution for professionals and agencies working in the Real Estate domain. It expands its reach to more targeted audience and brings in more profits. A great looking and user friendly design for portraying a professional image to your visitors and potential clients. It is a great way for real estate agents to build an online portfolio of listings. It includes a number of features which makes it very easy to not only add property listings to your site, but also organize and categorize them. It has 3 theme layout (fullwidth, box and box left), Widget ready, Custom Page templates, Custom Post and more. Compatible on latest WordPress version.
