Description:

Over 2,000 GED-style questions thoroughly prepare learners for test day. This single book offers thorough coverage of the revised GED Test with new test information, instruction, practice, and practice tests, plus it comes with a 100% money-back guarantee. Answer key included.

- Workplace passages and practical documents reflect writing components.
- Expanded mathematics section introduces alternative answer formats and calculator use.
- A pretest and a full-length practice test for each subject mirror the actual GED, offering authentic text practice experiences and identifying any areas of weakness.
- Higher-order thinking skills -- an emphasis of the GED -- are reviewed and practiced in the Social

Studies; Language Arts, Reading; and Science sections.
