Description:

Review Clear and well written with explanations supported by lots of illustrations and examples ... I couldn't find a technique that was missing and the range is impressive ... One of the joys of looking through a book like this is that it includes a really good variety of images to illustrate a point about design, choice of metals and stones, fabrication technique, or step-by-step instructions. The quality of the photography is excellent with rich colours and beautifully lit gems glowing on almost every page. The print quality has insured that none of the allure of sumptuous stones is lost. Findings: The

About the Author Anastasia Young is a practising designer, jeweller and artist whose work has been exhibited internationally. She is a graduate of the Royal College of Art and Central St. Martins College of Art and Design in London and is the author of Jewellery Techniques: The Essential Guide to Choosing and Using Materials, Stones and Settings and The Workbench Guide to Jewellery Techniques.
