Description:

Review

"The most convivial and unorthodox history of New York City one is likely to come across... There are so many fine moments in 'New York Diaries: 1609-2009' that it's impossible to list them all." --

Dwight Garner, New York Times

"Hilarious as it is heartbreaking, New York Diaries is a must read for anyone who has fallen in love with the Big Apple."--**Darren Richard Carlaw, The New York Journal of Books**

"I think the most fun way to read New York Diaries would be to keep it by your bedside. . . the effect, oftentimes, is of a chorus of voices, separated by decades, even centuries, unconsciously

echoing the same sentiments and complaints." **-Maureen Corrigan, NPR Books**

"As comprehensive as it is revealing, making the city come alive in its glamour and grime."--
Susannah Cahalan, New York Post

"One of the eminently readable, and easily approachable, tomes on Big Apple history, one that will enchant and satisfy with its depth of detail and breadth of range."--**DigitalJournal.com**

"[A] remarkable feat of an anthology."--**BrainPickings.com**

About the Author Teresa Carpenter is the author of four books, including the *New York Times* bestseller *Missing Beauty*. She is a former senior editor of *The Village Voice*, where her feature articles on crime and the law won a Pulitzer Prize in 1981. She lives in New York City's Greenwich Village with her husband, writer Steven Levy, and their son.
