## Description:

**From Library Journal** Instruct: to provide with knowledge, especially in a methodical way. That is, in fact, what Phillips and Chappel of Cherry Lane Music do in this logical, pedagogic introduction to keyboard instruments, music theory, and piano technique. The chapter on the famous?or is it infamous??"Part of Tens" includes information about past and present masters of the instrument, ways of expanding your interest beyond the scope of the book, and tips on finding a teacher. Printed

musical examples are plentiful, and an accompanying audio CD is included. This book intends to be fun and funny and succeeds in a vaudeville sort of way. Students are encouraged "to continue to seek knowledge about your instrument long after you tire of the jokes" and told that "piano teachers and method books shouldn't be forsaken forever." The do-it-yourself phenomenon has made the "Dummies" books very popular. This one is particularly appropriate for school media and public libraries. Janet Brewer, Murray State Univ. Lib., KY  
Copyright 1999 Reed Business Information, Inc.

**From the Back Cover** Play-along audio CD included! The fun and easy way to get started on the piano

A Reference for the Rest of Us!

Perfect for all keyboards?not just piano

Find out how to have some fun with your piano

Don't leave your keyboard in the corner collecting dust! Open the book, run through a few simple exercises with virtuoso Blake Neely, and soon you'll be tickling the ivories with the best of them. From basic scales to old favorites, classical themes, blues, boogie-woogie, and more, this friendly beginner's guide and songbook doesn't miss a beat.

All 97 songs and exercises from the book on audio CD

Play along with "Oh Sussannah." " The Beautiful Blue Danube." "Swanee River," " Ode to Joy," " Greensleaves," " Danny Boy," Berry-style blues, a boogie-woogie bass line, " Hank the Honky-Tonk" riff, and much, much more

Discover how to:

Familiarize yourself with the keyboard

Understand the language of music

Have fun when you practice scales

Impress friends with great grooves and riffs

Play classical, rock, blues, and country
