#### Description:

**Review** "Lisa Gansky sees around corners and describes a future that seems impossible...until you realize that it's imminent. The Mesh is a very big idea."

-Seth Godin

"Lisa Gansky makes a compelling case for the new competitive logic of sharing- and shows how to build not just a single company, but an entire business ecosystem, around this concept. If you want

to understand the future, and maybe even help create it, read this book."

-Daniel H. Pink, author of "Drive" and "A Whole New Mind"

"This is a brilliant, important book. Lisa Gansky has put her finger on one of the most important trends that will shape our culture over the next decades. She puts social media in a broader economic, cultural, and environmental context."

-Tim O'Reilly, founder and CEO, O'Reilly Media

"This book offers a timely introduction to the reality and importance of Mesh companies-ones that provide products and services through sharing, via community participation and a cultu

**About the Author** Lisa Gansky has been a founder and CEO of multiple Internet companies, including GNN and Ofoto. She currently advises and invests in several social ventures, including New Resource Bank, Squidoo, Convio, TasteBook, MePlease, Slide, Instructables, and Greener World Media. She is a cofounder of Dos Margaritas, a conservation-focused social venture. She lives in Napa, California.
