Review

Praise for *The Walking Dead: Rise of the Governor*:

“An excellent companion to the *The Walking Dead* comic books. The story is enriched by the novel format, and the characterization of the series' most hated villain is something no fan will want to miss.”

—*Examiner.com*

“This book stands alone and is a compelling read for fans of the series or just fans of zombies. Watch

out though, because once you get a taste of the particular Kirkman brand of zombie mayhem, catching up on past issues is just around the corner.”

—*The Ossuary*

“The story makes a great novel. You'll get sucked in and can easily visualize everything that is happening. It's simply a great read.”

—*Comicvine.com*

“It takes great advantage of the literary medium in a way that most tie-in books would not.”

—*TVOverMind.com*

“Not for the faint of heart, this book runs on pressure-cooker suspense, graphically described bloodshed, and dark acts of brutality...This riveting character study adds a new dimension to the oeuvre by fleshing out established characters and plot lines.”

—*School Library Journal*
